KEEPING IT REAL WITH RESPECT, INTEGRITY & LEGAL

## PRIVACY

Your privacy is of utmost importance to me and the team. Please know that anything disclosed in individual or group consults remain private and confidential. There will be times where quotes, personal testimonials and examples may be shared here on this site, or on other media platforms. This would require complete confidentiality of any personal information or consent from the client to be shared with unique identifiers and/or use of true name.

## DISCLAIMER

This website contains information for educational purposes only and is not intended to diagnose or treat and any medical condition, or replace the advice of your healthcare professional. If you use the information on this website to participate in physical activity you do so at your own risk. Use of the information means you have reviewed and agree to the website terms of use, privacy policy, and waiver of liability.

The information contained on this website is for educational, informational, and critical thought purposes. It is not intended to diagnose or treat any medical condition. Any diet, physical activity, or other lifestyle changes/measures should be addressed with your healthcare provider. The information contained on this site is of the best evidence known to me at the time it's dispensed; however, it will not nor cannot pertain to the best practices for each individual. The information is of my very best opinion based on training, professional and personal expertise and cannot be taken as unquestionable for each individual.

While I continue to screen comments on this site, I shall not be held liable for contributions made by others. Any reliance you place on said information must be at your own risk. I will continue to be intentional with whom I align myself with; however, cannot control any of the content posted on sites linked within my blog and/or who link this site.

## DISCLOSURE

Any endorsement is of a product or service that is held in high regard. Integrity will not be compromised for any financial or material gain. Of course, as science emerges and companies change processes/procedures or leadership, thus my opinion would also evolve. Know that information on this site is that of my opinion upon sharing said information. As a professional healthcare provider, there are offers presented for collaboration with food/health companies and/or providers. Know that there will be companies, products or services that I recommend regardless of any compensation/ recognition. Know that these recommendations could include exceptions based on individual needs. Rest assured there will also be companies, products or services that I would not endorse despite the offer to be compensated in exchange. This being set clear, I will remain transparent in any potential conflicts of interest, including but not limited to financial and material gain from Praxis collaborating with affiliates.
